[St. Francis/Trinity Health Maternity Services](#)

Saint Francis Hospital provides patients with personal care that caters to mothers' and newborns' unique needs. If you already have insurance (or Medicaid) and want to schedule an OB doctor appointment, do the following:

- Go to OB clinic on 5th floor of medical office building attached to hospital & get a prescription for blood test to verify pregnancy
- Then, go to lab on 3rd floor for blood test
- The next day, call [302-421-4775](tel:302-421-4775) for your test results
- Once you have positive test results, your name will be placed on the nurses' call list. An OB triage nurse will call you to review your health history & schedule an OB appointment.
